Right of Rescission

You have 3 business days to rescind this contract by contacting us at the telephone number or email address listed below. This is called your "Right to Rescind" period, which means you will not start service with us until after this period.

Note on Dispute Resolution: This contract limits the circumstances under which you can bring a dispute to court and does not permit class actions or a jury trial. Review the section "Arbitration and Waiver of Jury Trial" below for details.

A. Important Information

Contract Duration: This is a 12 month contract. We will begin providing service to you after your utility processes our request to switch your service, which occurs within 10 days from the date you agreed to switch. The switch will not occur before the expiration of your "Right to Rescind" period. Our service will continue until either of us cancels the contract.

Price Structure: You'll receive a fixed electricity supply price of \$0.14000 per kWh for your first 12 full billing cycles. This does not include the rate that your electric utility will charge you for the delivery component of your electric service. If there is a monthly customer charge, it is noted in the contract summary above.

For your reference, our electricity supply prices include generation and transmission charges and Gross Receipts Tax only, but they do not include any utility distribution charges or other utility fee or charge. If you enrolled in a plan with a percentage of green power, your price also reflects the costs to obtain the renewable energy content specified under this contract, which contributes to the premium we may charge over your local utility rate. Electricity is the product of a mix of generation energy sources that is delivered over a system of wires. Information about generation resources is included in the annual licensing report provided by the PUC. Information about energy efficiency is available from the PUC or your local utility.

Our current and historical prices are not an indicator of our future prices and we do not guarantee any savings. Our prices may be higher than your utility's supply rate. You may contact us at the telephone number or internet address listed below to obtain historical price information.

Billing: Your local utility is responsible for sending you a bill that includes the charges for our service and charges for the utility's service. You also agree to review your bills in a timely manner, and if there are any inaccuracies with the portion of the bill for our services, you agree to notify us within ninety days after the date of the bill. If we do not hear from you, you are agreeing that the billed amounts are correct and you are waiving any right to dispute the billed amounts to the extent permitted by law. If we later assume responsibility to bill for our charges and the utility's charges, we will provide 30 days' advance notice to you and you will begin to pay us as directed in the notice.

If you have a net meter, you will no longer receive energy credits from your utility. Green Mountain Energy is not responsible for paying any net metering credits.

Right to Rescind: You have the "Right to Rescind" this contract for three business days, which means you can cancel your request to switch your electricity service and never start service with us. You will receive a Welcome Confirmation from us, which will include this contract, and you will have until midnight of the third business day after receipt of the Welcome Confirmation to rescind this contract by contacting us at the telephone number or email address listed below. This contract is not binding until your "Right to Rescind" period has ended

with no action on your part to rescind the contract.

End of Contract and Expiration Provisions or Change in Terms: If you have a fixed duration contract that will be ending, or whenever Green Mountain Energy want to change the contract, you will receive two separate notices before the contract ends or the changes happen. You will receive the first notice 45-60 days before, and the second notice 30 days before the expiration date or the date the change becomes effective. These notices will explain your options.

If you do not cancel the contract or switch to another provider before the expiration of your contract, your service will continue at the price and contract duration indicated in the second notice.

Incentives: Rewards Program. Please refer to your Welcome Confirmation for the terms regarding your rewards program. If you cancel this contract, you may forfeit some or all of the rewards described in your Welcome Confirmation.

Applicable Fees: If you are currently in a contract with another electric supplier, the request to switch you to our service will automatically cancel your service with the other electric supplier. You are responsible for any penalties the other electric supplier may charge

Your Right to Cancel and Cancellation Provisions:

You may cancel this contract at any time without an early termination fee; that includes if you cancel after you receive the second renewal notice from us and before expiration of the contract. There is also no fee if you cancel during the variable price portion of any contract.

We will request that the utility cancel your service with us, but the utility controls the effective date of your cancellation. It may take up to 10 calendar days before the cancellation is finalized, depending on your utility's timeframe. If you do cancel this contract, you may forfeit some of the rewards that we describe in your Welcome Confirmation, and you will be responsible for unpaid balances as of the cancellation date.

Our Right to Cancel and Cancellation Provisions:

We have the right to cancel this contract for any reason as long as we give you thirty days' written notice (you will not be charged a fee), but if we are canceling the contract due to your conduct or your breach of this contract, you will have an opportunity to fix this condition within the thirty days.

Your utility will control the effective date of our cancellation request, but this is usually the next date that your meter is read. If your utility terminates your service, this contract will be automatically cancelled.

Your Authorization to Release Your Information for Use and Sharing: By entering into this contract, you authorize us to act on your behalf under your utility's tariffs in accordance with the rules and regulations of the state public utility commission ("PUC") where you take service. You further acknowledge that this contract provides authorization for your local utility to release all information regarding your energy supply account(s) to us so we can provide the services described herein. We will maintain the confidentiality of your personal information including your name, address, telephone number, email, account numbers, energy usage and historic payment information as required by applicable PUC regulations as well as federal and state laws.

Our use and sharing of your information will be consistent with the purposes and uses disclosed in our privacy policy, as amended from time to time and posted on our website. We reserve the right to share your information with our affiliates and marketing partners, to the extent permitted by law and/or as authorized when you provide your consent.

If you do not wish for us to use or share information about your account in the manner described above, you may cancel this contract by calling us at our contact information listed herein.

B. Other Important Information

Assignment and Binding Effects: We may sell, transfer, pledge or assign the accounts, revenues or proceeds associated with this contract in connection with any financial contract, and we may assign the rights and obligations under this contract to another energy supplier consistent with applicable law. You may not assign this contract.

No Reliance: You acknowledge that (1) you are not relying on any advice, statements, recommendations or representations of ours other than the written representations in this contract; (2) that you consulted with your own advisors to the extent you deemed necessary; and (3) that you understand the risks of entering into this contract, including the risk that our prices may be higher than your utility's rates. You acknowledge that you are capable and willing to assume those risks (whether financial, economic or otherwise) and that you have made your own decision to enter into this contract.

Force Majeure: We will use commercially reasonable efforts to provide electricity supply to you pursuant to this contract, but we do not guarantee a continuous supply of electricity. Certain Force Majeure events outside of our control may cause interruptions in service. If a Force Majeure event prevents us from performing any of our obligations in any way, our performance shall be excused for the duration of such event, and we will not be liable for damages associated with any delay or failure to perform as a result. "Force Majeure" includes, without limitation, acts outside of our control, sabotage, riots or civil disturbances, acts of God, acts of the public enemy, acts of vandalism, terrorist acts, pandemics, full or partial governmental shutdown or issuance of stay-at-home order, natural disasters, explosions, fires, or similarly cataclysmic occurrence, failure, shortage or unavailability of generating units, storage, distribution or transmission facilities, nonperformance by your local utility, or any change in law or any other action by a governmental authority that materially impairs our ability to perform our obligations under this contract. We will give you reasonably prompt notice of any Force Majeure occurrence.

Severability: Each provision of this contract is made subject to the maximum extent permitted by law. If any are held to be unenforceable or invalid by any arbitrator or court of competent

jurisdiction, we will negotiate an equitable adjustment to or an amendment of the affected provisions with you with a view toward effecting the purpose of this contract. In this case, the validity and enforceability of the remaining provisions shall not be affected.

LIMITATIONS ON WARRANTY AND DAMAGES: THE ELECTRICITY PROVIDED UNDER THIS CONTRACT WILL MEET THE QUALITY STANDARDS OF YOUR UTILITY. YOU UNDERSTAND AND AGREE THAT THERE ARE NO OTHER WARRANTIES, EITHER EXPRESS OR IMPLIED, ASSOCIATED WITH THE SERVICE PROVIDED BY US. WE HAVE NO LIABILITY FOR SERVICE INTERRUPTIONS NOR ANY ASSOCIATED LOSS OR DAMAGE RESULTING FROM SUCH INTERRUPTIONS. TO THE MAXIMUM EXTENT PERMITTED BY PENNSYLVANIA LAW, LIABILITIES NOT EXCUSED BY REASON OF FORCE MAJEURE OR OTHERWISE SHALL BE LIMITED TO DIRECT ACTUAL DAMAGES. WE WILL BEAR NO LIABILITY TO YOU OR ANY THIRD PARTY FOR CONSEQUENTIAL, PUNITIVE, INCIDENTAL, SPECIAL, EXEMPLARY OR OTHER INDIRECT DAMAGES OR LOST PROFITS. THE LIMITATIONS IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES ARE WITHOUT REGARD TO THE CAUSE OR CAUSES OF THE HARM OR LOSS, INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE.

ARBITRATION AND WAIVER OF JURY TRIAL:

TO THE FULLEST EXTENT PERMITTED BY PENNSYLVANIA LAW, ANY DISPUTE, CONTROVERSY OR CLAIM ARISING OUT OF, RELATING TO OR IN CONNECTION WITH THIS CONTRACT, SHALL BE FINALLY RESOLVED BY ARBITRATION BEFORE THE AMERICAN ARBITRATION ASSOCIATION ("AAA") CONDUCTED UNDER THE AAA COMMERCIAL RULES AND THE CONSUMER-RELATED DISPUTES SUPPLEMENTARY PROCEDURES, OR, AT THE ELECTION OF EITHER PARTY, BROUGHT AS A SMALL CLAIMS ACTION, IN THE MAGISTERIAL DISTRICT COURT OF PENNSYLVANIA OR PHILADELPHIA MUNICIPAL COURT, JUDICIAL SYSTEM OF PENNSYLVANIA ("SMALL

CLAIMS COURT”), IF THE DISPUTE OR CLAIM IS WITHIN THE SCOPE OF ITS JURISDICTION.

BY ENTERING INTO THIS CONTRACT, YOU ARE GIVING UP YOUR RIGHTS TO SEEK REMEDIES IN COURT, OTHER THAN IN SMALL CLAIMS COURT, AND THE RIGHT TO A JURY TRIAL.

THE ABILITY TO CONDUCT DISCOVERY IN ARBITRATION IS LIMITED AND THE ARBITRATOR’S DECISION IS SUBJECT TO VERY LIMITED REVIEW BY COURTS. THE ARBITRATOR CAN AWARD THE SAME DAMAGES AND OTHER RELIEF THAT A COURT CAN AWARD. JUDGMENT ON THE ARBITRATOR’S AWARD CAN BE ENTERED IN ANY COURT HAVING JURISDICTION.

THE PARTIES AGREE THAT ALL CLAIMS INCLUDING STATUTORY, STATE OR FEDERAL CLAIMS, MAY BE MADE SOLELY ON AN INDIVIDUAL BASIS, AND THAT THIS CONTRACT DOES NOT PERMIT CLASS ACTIONS, EITHER IN ARBITRATION OR THROUGH A COURT PROCEEDING. AAA MAY NOT CONSOLIDATE MORE THAN ONE PERSON’S CLAIMS, AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING.

IF YOU FILE FOR ARBITRATION, THE AAA RULES LIMIT THE FEES AND COSTS THAT YOU WILL PAY TO THE AAA AND ARBITRATOR. YOU WILL STILL BE RESPONSIBLE FOR YOUR OWN LEGAL FEES AND COSTS, AS IF YOU WERE IN COURT, BUT THE ARBITRATOR MAY AWARD YOU THOSE FEES TO THE EXTENT AUTHORIZED BY LAW. THE ARBITRATION WILL BE HELD IN PENNSYLVANIA IN A LOCATION DETERMINED BY THE ARBITRATOR. THE ARBITRATOR SHALL HAVE THE POWER TO RULE ON ANY CHALLENGE TO HIS OR HER JURISDICTION OR TO THE VALIDITY OR ENFORCEABILITY OF THIS ARBITRATION PROVISION, AS WELL AS THE CLASS ACTION WAIVER SET OUT ABOVE.

COPIES OF THE AAA CONSUMER ARBITRATION RULES AND ADDITIONAL INFORMATION ABOUT ARBITRATION ARE AVAILABLE AT THE AAA’S WEBSITE: [HTTPS://WWW.ADR.ORG/RULES](https://www.adr.org/rules).

AAA MAY NOT CONSOLIDATE MORE THAN ONE PERSON’S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING. IF A COURT OR THE AAA DETERMINES THAT THE PRECEDING SENTENCE PROHIBITING CLASS ARBITRATION IS INVALID OR UNENFORCEABLE, THEN THE REMAINING PORTIONS OF THIS ARBITRATION PROVISION WILL REMAIN IN FORCE.

THIS ARBITRATION PROVISION SHALL SURVIVE TERMINATION OF THIS AGREEMENT.

Other Provisions: This contract can change based on any future legislation, orders, rules, regulations, decisions of a duly constituted governmental authority or independent system operator having jurisdiction over this contract or the services provided hereunder or your local utility tariff or policy changes. If at some future date there is a change in any law, rule, regulation, tariff, or regulatory structure (“Regulatory Change”) which impacts any term, condition or provision of this contract including, but not limited to price, we shall have the right to modify this contract in accordance with applicable law to reflect such Regulatory Change by providing 30 days’ written notice of such modification to you. This contract is made and shall be construed in accordance with the laws of Pennsylvania. There are no third-party beneficiaries to this contract. This contract is binding upon us and you, as well as any successors or legal assigns. Failure to exercise any right we have under this contract should not be considered as a waiver of the right to exercise any such right at a later date. The headings and Summary of Important Information chart in this contract are for reference only and do not affect the interpretation of this contract.

Electricity is the product of a mix of generation energy sources that is delivered over a system of wires. You will not have electricity from a specific generation facility delivered directly to your service address, but Green Mountain ensures that the applicable percentage of your electricity usage is matched by the generation of energy from renewable resources on an annual basis. Green Mountain does so by purchasing and retiring 'renewable energy attributes' or 'renewable energy certificates' representing the environmental attributes associated with the applicable amount of renewable energy generation from the area specified for your product. Your purchase helps support the development and operation of renewable resources in the areas specified by your product. Green Mountain may take up to three months following the close of a calendar year to make up any deficiency in the renewable resource content for your product.

NATURAL GAS

Carbon Conscious plan: By enrolling in Carbon Conscious plan, the origin, physical content, and emissions characteristics of the natural gas delivered to your home will not change. However, Green Mountain ensures that you are offsetting the estimated carbon dioxide (CO2) emissions associated with the stated percentage of your natural gas usage by purchasing carbon offsets under one or more third-party carbon offset standards. Under these standards, an offset credit is generated for each ton of carbon dioxide equivalent that is reduced or removed as part of a verified greenhouse gas reduction project.

Offsetting one ton of carbon with a carbon credit means there will be one less ton of carbon dioxide in the global atmosphere than there would have been. Carbon Conscious gas is not intended to address any other environmental impact of natural gas usage, including emissions related to the extraction, storage, or delivery of natural gas.

Green Mountain Energy™ Sun Club™
