# ELECTRIC SUPPLY CONTRACT SUMMARY

{ut\_url}

The Massachusetts Department of Public Utilities recommends that consumers visit the Energy Switch website to view the broad range of available electric supply products, including your electric utility's basic service price. You can visit the website at <http://energyswitchma.gov>.

## A. Important Information

**Length of Your Commitment:** 12 months, then month-to-month. We will begin providing service to you after your utility processes our request to switch your service. The switch will not occur before the expiration of your "Right to Rescind" period. Our service will continue until either of us cancels the contract.

**Price for Your Electricity:** Your fixed electricity supply price will be \$

### **Electric Residential Account(s)**

National Grid - **\$0.17300 per kWh**

per kWh for the first 12 billing cycles with us. After that, your prices with us will be variable. We will determine the variable supply price in our discretion based on many different factors, which may include competitive prices, industry charges we are responsible for, applicable state and local taxes, profit margins, or other business conditions. For your reference, our electricity supply prices include generation charges, but they do not include any utility distribution charges or other utility fee or charge. Because you enrolled in a plan with a percentage of green power, your price includes the cost for us to purchase Renewable Energy Certificates.

Our current and historical prices are not an indicator of our future prices and we do not guarantee any savings. Our prices may be higher than your utility's supply rate. If you have a net meter, you will be compensated separately for any credits earned in excess of the amount of energy consumed. No matter what, we will not increase your variable price in any given month by more than 30% from the prior month's supply price.

**Applicable Fees:** None. If you are currently in a contract with another electric supplier, the request to switch you to our service will automatically cancel your service with the other electric supplier. You are responsible for any penalties the other electric supplier may charge.

**Right to Rescind:** You have the "Right to Rescind" this contract for three business days, which means you can cancel your request to switch your electricity service and never start service with us. You will receive a Welcome Confirmation from us, which will include this contract, and you will have until midnight of the third business day after receipt of the Welcome Confirmation to rescind this contract by contacting us at the telephone number or email address listed below. This contract is not binding until your "Right to Rescind" period has ended with no action on your part to rescind the contract.

**Your Right to Cancel:** You may cancel this contract without having to pay any cancellation fee by calling us at our contact information listed below. We will request that the utility cancel your service with us, but the utility controls the effective date of your cancellation. The effective date is usually the next date that your meter is read after the utility has processed our request to cancel your service with us. If you do cancel this contract, you may forfeit some of the rewards that we describe in the attached Other Information About Your Green Mountain Offer, and you will be responsible for unpaid balances as of the

cancellation date.

**Our Right to Cancel:** We have the right to cancel this contract for any reason as long as we give you thirty days' written notice, but if we are canceling the contract due to your conduct or your breach of this contract, you will have an opportunity to fix this condition within the thirty days. Your utility will control the effective date of our cancellation request, but this is usually the next date that your meter is read. If your utility terminates your service, this contract will be automatically cancelled.

**Your Authorization to Release Your Information:** This contract provides authorization for your utility to release all information regarding your electricity account to us and for us to contact you about our other products and services or share information about your account with any designated rewards partner or with any third-party vendor we use to provide services and rewards to you. We reserve the right to share information with our affiliates, to the extent permitted by law. This contract authorizes us to use credit reporting agencies and other criteria to document and evaluate your credit and/or payment history, to the extent permitted by applicable law so we may perform credit checks and request financial data on you. If you fail to make timely payments, we may use consumer reporting agencies, debt collection agencies, small claims court, or arbitration to collect any amount owed. We reserve the sole right to determine if your credit standing is satisfactory for originating and continuing electric service under this Terms of Service. We can refuse service, or cancel your service, based on your credit standing

**Low Income Rate Eligibility:** Certain residential customers may qualify for a discounted electric rate based on income. Contact your utility for a list of eligibility requirements and program application.

**Basic Service Availability:** Under Massachusetts law, you have the right to basic service from your utility. Basic service is power supply you receive from your utility as opposed to receiving from a supplier. All customers are eligible to receive basic service at any time and may stay with such service indefinitely.

**Electronic Communication:** If you provide us with your Email address, you are consenting to this contract and other forms of communication being provided to you in electronic form and you must provide us with any update to your valid Email address should it change. You are required to notify us of any change in Email address and/or any withdrawal of consent for the electronic transmission of contracts or other customer information. If you enroll electronically, please note that our website and application is best viewed in Internet Explorer 8.0 or higher.

**Billing:** Your local utility is responsible for sending you a bill that includes the charges for our service and charges for the utility's service. You also agree to review your bills in a timely manner, and if there are any inaccuracies with the portion of the bill for our services, you agree to notify us within ninety days after the date of the bill. If we do not hear from you, you are

agreeing that the billed amounts are correct and you are waiving any right to dispute the billed amounts to the extent permitted by law.

**Taxes:** Any applicable tax charges are included on the one bill you will receive from your utility. If you are exempt from any taxes, you are responsible for requesting an exemption by filing all required documentation with us and/or your utility.

**Contract Details:** Our full, legal name is Green Mountain Energy Company, but we have used “we”, “us”, or “our” to refer to ourselves for the purposes of this contract. We use “you” or “your” to refer to you, the customer. This contract is for the sale and purchase of all of your electricity for the residential account(s) listed in your Welcome Confirmation (letter or email). By entering into this contract, you are authorizing us to take the steps necessary to switch your electricity supply service to us, and you agree to appoint us as your agent to acquire the necessary information to meet your electricity needs as required by your “utility”, which we use to refer to your local distribution company. Your utility is responsible for the delivery of electricity to you, and we are not. This contract and the attached Other Information About Your Green Mountain Offer you received create your entire contract with us and replace any prior oral or written statements or representations.

**Contract Changes:** If we propose a material change to the terms of this contract, we will notify you in advance and explain your options going forward. We will not change or alter the waiver of jury trial provision under any circumstances, and any changes to this contract must be made in writing.

**Customer Complaints:** If you have questions about our prices or our service, you should call us at the contact information listed below. If you are not satisfied with the response from our Customer Care representative, you may ask that your questions be referred to one of our supervisors, who will respond promptly. If you remain unsatisfied with our attempts to resolve the issue, you may seek assistance from the Massachusetts Department of Public Utilities (DPU) or request information from the DPU regarding your consumer protection rights. The DPU’s contact information is listed below.

**CONTACT INFORMATION:**

WE WILL BEAR NO LIABILITY TO YOU OR ANY THIRD PARTY FOR CONSEQUENTIAL, PUNITIVE, INCIDENTAL, SPECIAL, EXEMPLARY OR OTHER INDIRECT DAMAGES OR LOST PROFITS. THE LIMITATIONS IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES ARE WITHOUT REGARD TO THE CAUSE OR CAUSES OF THE HARM OR LOSS, INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE.

**ARBITRATION AND WAIVER OF JURY TRIAL:** TO THE FULLEST EXTENT PERMITTED BY MASSACHUSETTS LAW, ANY DISPUTE, CONTROVERSY OR CLAIM ARISING OUT OF, RELATING TO OR IN CONNECTION WITH THIS CONTRACT, SHALL BE FINALLY RESOLVED BY ARBITRATION BEFORE THE AMERICAN ARBITRATION ASSOCIATION (“AAA”) CONDUCTED UNDER THE AAA COMMERCIAL RULES AND THE CONSUMER-RELATED DISPUTES SUPPLEMENTARY PROCEDURES, OR, AT THE ELECTION OF EITHER PARTY, BROUGHT AS A SMALL CLAIMS ACTION IN THE DISTRICT COURT OF MASSACHUSETTS (“SMALL CLAIMS COURT”), IF THE DISPUTE OR CLAIM IS WITHIN THE SCOPE OF ITS JURISDICTION. BY ENTERING INTO THIS CONTRACT, YOU ARE GIVING UP YOUR RIGHTS TO SEEK REMEDIES IN COURT, OTHER THAN IN SMALL CLAIMS COURT, AND THE RIGHT TO A JURY TRIAL. THE ABILITY TO CONDUCT DISCOVERY IN ARBITRATION IS LIMITED AND THE ARBITRATOR’S DECISION IS SUBJECT TO VERY LIMITED

THE AAA SHALL HAVE THE POWER TO RULE ON ANY CHALLENGE TO ITS OWN JURISDICTION OR TO THE VALIDITY OR ENFORCEABILITY OF ANY PORTION OF THIS ARBITRATION PROVISION. THE PARTIES AGREE THAT ALL CLAIMS INCLUDING STATUTORY, STATE OR FEDERAL CLAIMS, MAY BE MADE SOLELY ON AN INDIVIDUAL BASIS, AND THAT THIS CONTRACT DOES NOT PERMIT CLASS ACTIONS, EITHER IN ARBITRATION OR THROUGH A COURT PROCEEDING.
